TECHNICAL SKILLS

- Software Development
- Project Management
- Back end Development
- Database Management
- Programming

PROGRAMMING LANGUAGES AND TOOLS

- C++ , Dart, Kotlin, SQL,
JavaScript, PHP and Python
- Firebase, Vs Code, Git, Android
Studio

CORE WORE SKILLS

- Teamwork & Collaboration
- Problem Solving
- Multi-Tasking
- Self-Management
- Adaptability

PROFILE SUMMARY

I am Ritch, a fourth-year Bachelor of Science in Information Technology student majoring in Systems Development at PHINMA - University of Pangasinan. Over the past four years, I have developed proficiency in programming languages such as Python, Java, JavaScript, PHP, Kotlin, and Flutter, among others. Additionally, I am focusing on backend development and mobile app development to build robust and user-friendly applications.
